Group Reservation Contract

When reservations are made for a group, it is often necessary to turn away other potential campers. Artillery Ridge then suffers a financial loss if a smaller group arrives on the day of the reservation and cancels a portion of the reserved sites. Therefore, when reservations are made for a particular number of sites, for a particular number of days, the party responsible for the group is asked to sign this contract, insuring that those sites will be paid for regardless of the number of people that actually camp on the dates of the reservation. As with all campers, you have the option of cancelling a reservation up to fifteen days before the actual camping dates.

Please be advised, we do require tour permits upon check-in.

Our bathrooms have recently been remodeled. Please escort your troops to our facilities at all times.

GARBAGE IS TO BE DUMPED IN OUR DUMPSTERS, NOT DOWN OUR SINKS OR TOILETS!
